3.1 Privacy In Australia, there are no laws specifically prohibiting photographing and filming people (including children) in public places. It is a legitimate pursuit to film and take photos at sporting events. By registering to play at MBA or entering a MBA venue, you are agreeing to be filmed by our 'Glory League' cameras. You acknowledge and agree that such photographs and electronic images may be used by Macarthur Basketball Association or unrelated entities or persons (eg Glory League, Krossover, Huddl, and others) to provide video engagement systems or other third party services for use by basketball players, coaches and administrators and images of you may be tagged and shared online or otherwise.

Participants agree to MBA Glory League Policy, Glory Leagues Privacy Policy as well as MBA competition by-laws and zero tolerance policy. Glory League's privacy practices have been reviewed by an independent legal counsel which found that the system is fully compliant to Australian Privacy Requirements.

Exceptions to Freedom to Photograph

There are specific instances in law where the taking of any image is banned. Such instances generally relate to child custody matters, wards of the state, restraining orders and witness protection. It is also possible that from time-to-time other circumstances may also preclude the taking of any image of an individual.

Where such orders are in place it is the responsibility of the parent or guardian or individual to notify Macarthur Basketball Association including where appropriate the provision of a confidential copy of the order. In such cases Hills Basketball will use its best endeavours to prevent the taking of such images.

Once in receipt of legal documentation and instructions, MBA will set the person/s status within Glory League to private which will disable footage of ALL games that person participates in. No player/member will be able to view or share footage of those games.
